IGT TOSCANA ROSSO «POGGIO TORTO»

"Poggio Torto" red wine was born from the encounter of the Tuscan Sangiovese with the international varieties of Merlot, Syrah and Cabernet Sauvignon. The name of this wine is inspired by the irregular shape of the hill "Poggio d'Arna" in front of the winery; Indeed "Poggio" means hill while "Torto" indicates the leaning part of the hill. This wine with its intense color is full bodied and well balanced.

Seasonal weather conditions:

2021 - After a winter characterized by rainfall and low temperatures, spring is outlined by budding, put to the test by a frost in the first ten days of April. The vines, however, recovered with the warm temperatures of May, having also a differentiation of new buds. The high summer temperatures led to the need of managing the canopy, in order to avoid sunburn of bunches, and the diurnal range benefited the health of the grapes and contributed to the production of wines with very complex and intense organoleptic qualities, distinctive of the vintage.
